Sir:

On review of the above-identified application, Applicants note that the Examiner has not initialed the citation to EP 0 911 314 A on the Form PTO-1449 filed July 31, 2001 and attached to the February 27, 2002 Office Action, probably as a result of an oversight, despite the request made in the Amendment filed April 28, 2005. Accordingly, Applicants respectfully request that the Examiner consider and initial this citation, and return a copy of the new initialed PTO-1449 to Applicants. For the Examiner's convenience, a copy of the July 31, 2001 form returned partially initialed with the February 27, 2002 Office Action is attached.

Respectfully submitted,

Bruce E. Kramer
